'Specials' will be available regularly during breakfast club, that allows children attending to benefit from a healthy breakfast option separate from the everyday breakfast options. A different special will be available each half term and complies with the Healthy Eating in Maintained Schools statutory guidance document.

The school kitchen is used for preparation and serving food. The Supervisors are in charge of preparing and serving food and ensuring that kitchen facilities are left tidy. The Breakfast Club have their own separate fridge.

Resources

Breakfast club resources are kept in a cupboard in the hall. All electrical equipment is PAT tested before use.

Registration forms

Registration forms are available from the school office or from the Breakfast Club Supervisors. (See appendix) Breakfast Club is offered to all pupils of Clyro Church in Wales Primary School, during term time only.

3. Policies and Procedures

The Breakfast Club follows the School's policies and procedures. School policies, particularly relevant, include Equal Opportunities, Health and Safety, Safeguarding, Child Protection and the Behaviour Policy.

4. Charges

The Breakfast Club is now "cashless", this means that fees are paid via ParentPay online and we do not accept any money in school for this. For a registration code to set up a ParentPay account, Breakfast Club Supervisors will organise this for parents. As this is a school-run facility the Breakfast Club cannot incur any debt as there are no monies available within the school budget to cover this. Therefore, we remind parents that they must ensure that there is sufficient money on their account in order to pay for their child's sessions. If a parent's account is in debt, they will not be able to use the facility until the debt is cleared.

5. Parental/Pupil Feedback

The school and club value parental and pupil opinions, and will welcome feedback on how the club is run. A parental comment book is held by the Supervisor which parents are encouraged to leave feedback in. The Complaints procedure is in line with school policy. Please inform the Supervisor of any concerns, in the first instance. The school will not tolerate verbal/abusive behaviour towards any members or volunteers of Clyro Breakfast Club - see the School's Parental Code of Conduct, found on the school's website.

Guidelines for children, written specifically for the pupils attending.

We need to have rules at Breakfast Club to keep everyone safe, healthy and happy. You will be expected to follow these rules:

- Follow all adult instructions at once
- Be polite to everyone
- Respect other people's property
- Keep our hands and feet to ourselves
- Behave in a calm and quiet manner
- Do not leave the hall once you have been signed in unless an adult gives you permission.
- If you are not happy or if you have a problem, please tell an adult who will be happy to help you.
- If you have difficulty following these rules, then you may be asked to leave the club.

Guidelines for Parents/Carers

In the unlikely event of us having difficulty with your child's behaviour we will contact you. If your child does not follow the rules of the club, then after consultation with you and due warning, the child's place will be forfeited.

If you wish your child to attend Breakfast club, please arrive at the hall door from 8am. Breakfast Club opens at 8am. Any arrival prior to this time will not be accepted. Please do not leave your child unattended on school grounds before this time.

6. Safeguarding

In accordance with Safeguarding arrangements, all staff involved in the running of the club, either in a paid or voluntary capacity will have current DBS clearance. These records are held in the Headteacher's office. Staff will follow existing school policies and procedures for Child Protection and the code of conduct. Where ICT equipment is used, they must also follow the schools E-Safety policy and procedures.

7. Fire Procedure

In the event of a fire, children and staff will follow the normal school procedures, leaving the building in a calm orderly fashion via the closest exit. They will congregate on the playground. The club register should be taken outside and all names checked. There will be a fire drill once every half term which is recorded in the school's fire safety log.

8. Medication

Inhalers are kept in the First Aid Room. If a child needs an inhaler, it will be collected from the First Aid Room and staff will observe that the medication has been taken correctly. All other medication administered will follow the existing school Medication policy.

9. Risk Assessment

A separate risk assessment has been completed for Breakfast Club sessions and activities.

10. Confidentiality of Documents

Confidential documents are kept in the school office in a locked filing cabinet.
