Friday 27<sup>th</sup> March 2026

Dear Parents and Carers,

I cannot believe how quickly the past five weeks have flown by, and that we are already at the end of the spring term. Thank you for your kindness and support as I have settled into my role—it has been truly appreciated.

It was wonderful to see so many of you at the Easter Service yesterday. I hope you enjoyed the children's brilliant performances as much as I did. I was particularly struck by their creativity, musicality, and confidence, and I very much look forward to working with staff and pupils to nurture and develop these strengths further.

I wish you all a restful and enjoyable break, and I look forward to welcoming everyone back on Monday 13<sup>th</sup> April for the summer term.

Please don't forget our Easter Egg Hunt in the school grounds tomorrow from 2 - 4pm.

With my warmest thanks and best wishes,  
Lynsey McCrohon

### Farmington Institute Award

We're thrilled to share with you all that we have recently been awarded a grant of £4000 from the Farmington Institute to develop our school library. We're very excited to start working on this area and turn it into a more inviting, exciting and cool place to read!

If you're able to help—whether by coming in to listen to readers, assisting with cataloguing books, or sorting through our collection—please get in touch via email [office@clyro.powys.sch.uk](mailto:office@clyro.powys.sch.uk)

### Summer Production

This year's summer production is

#### The Wizard of Oz

Pupils have been busy auditioning for their parts and work has started on designing and creating the set.

The performances will be on the afternoon and evening of **Wednesday 24<sup>th</sup> June at 2:00 pm and 6:00 pm**

Our values next term are Persistence and Happiness. Over the Easter holiday we will be developing an area of the 'Street' into an art gallery for paintings, pictures, sculptures and anything creative linked to our value of the half-term. It would be amazing if we could start the new term with some artwork / sculptures / models linked to Persistence created by the pupils over the holiday.

## The Dog Mentor

Rosie our Dog Mentor has had a great first few weeks. The pupils are showing they are 'Rosie ready' and we can see that she is settling in the environment with the pupils calm, considerate and mindful when she is working in the area. Next term, we'll see a more focussed programme of Rosie supporting with ELSA, listening to readers, and generally being more out and about in the 'Street' and in classes. I will be meeting with the School Council to 'tweak' our Clyro School promise to reflect the actions we need to take whilst working with and close to Rosie.
