

Clyro C.I.W. Primary School

Dear Parents and Carers,
Just a few updates for the rest of this half-term and beyond

VR Headset workshop

We're delighted to have secured a virtual reality headset workshop for all our learners on Friday **16th October**. Our pupils will explore the impact of plastic pollution in remote ocean habitats and visit an interactive virtual museum.

The Friends have kindly agreed to part-fund the workshop. We politely request parents and carers to contribute **£3 per child** through ParentPay for the workshop. We're looking forward to an exciting and thought-provoking experience!

HARVEST

Our Harvest service this year is **Thursday October 22nd at 2:30 pm** in the school hall - Everyone welcome. This year we will be collecting tins of rice pudding, pasta sauce and savoury biscuits and snacks for Brecon Foodbank. All donations will be gratefully received. Please can donations of food be brought in from the start of the week beginning **18th October**.

It's DISCO time!

The Friends are holding a fund-raising DISCO on **Thursday 15th October**. More details will follow soon.

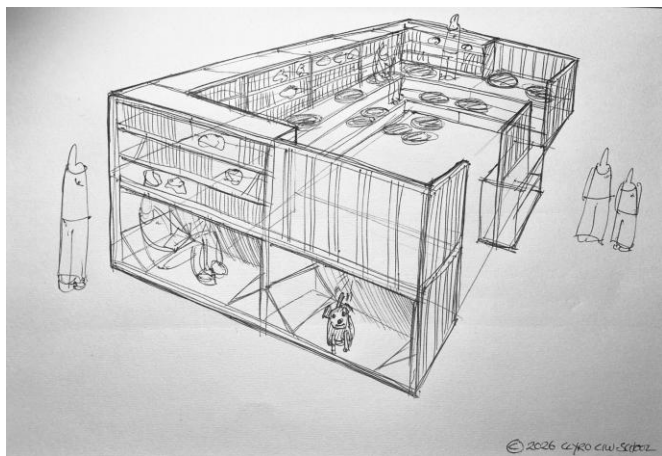

Cauliflower Christmas Cards

House Tokens

Our pupils have started collecting their reward tokens and the tubes are filling up fast! Did you know there's a whole 10 points to be had if you get the orange token? 5 points for speaking Welsh in school with a 'tocyn ddraig'.
